

Kendall County Soil and Water Conservation District
Personnel Committee Meeting
Monday March 11 at 4:00pm
USDA Service Center

Present: Deanna Bazan, Rita Feltes, Kerri Horton, Scott Kaufmann, Alyse Olson, Ariel Beauchamp

This meeting was called to order by Kerri Horton at 4:10pm for the purpose of conducting spring personnel reviews.

The Board discussed the vacant Administrative Coordinator position and our recent hire of Nicole Schneider who started (today) March 11, 2024. Budget numbers were reviewed briefly as compensation is a topic of discussion at these reviews. Also under consideration was the AC work that was done by Alyse Olson and Ariel Beauchamp during the vacancy.

The Board called Alyse Olson into the meeting for her review. Upon completion, she left and Ariel Beauchamp came in for her review. In each review, the committee listened to employees as they considered their current workloads and accomplishment of goals set in the fall. Details of each review will be filed in individual personnel files.

The Board debriefed the reviews and considered next steps as the budget preparation begins for the next fiscal year.

The meeting was adjourned at 5:10pm.

Respectfully,

Deanna Bazan
